

CAYMAN ISLANDS NATIONAL RECOVERY FUND

Fact Sheet 2

Assistance for Home Restoration

Who can apply?

Applicants must meet the following eligibility criteria to be considered under the National Recovery Fund.

- Damage must be as a result of a hurricane or other disaster
- Funds are intended for permanent structural repairs and primary dwelling restoration
- Uninsured property damage
- Must be owner occupied, single dwelling unit
- Priority will be given to applicants with a low household income and savings
- Applicants must be residents of the Cayman Islands

The following documentation should be presented with the application:

- Copy of passport, birth certificate, or other evidence of Caymanian status
- Land registry information
- An estimate for repair or restoration (*this will expedite consideration*)

Application process:

Application forms are available online

Application forms, submitted along with an estimate for repair or restoration, will be validated and, where possible, a decision communicated to the applicant within five working days.
