

DonationProfile

rebuilding lives ... restoring hope

The Cayman Islands National Recovery Fund receives donations (money, investments and/or property) from individuals and corporations both locally and overseas to:

- Provide charitable, humanitarian or other assistance to the people of the Cayman Islands
- Promote, assist and implement the speedy recovery of the Cayman Islands
- Further the social, cultural, educational, economic, religious, touristic, sporting and environmental recovery of the Cayman Islands
- Assist communities in their recovery and redevelopment
- Benefit charities with related purposes

Since its inception, many of Cayman's businesses have assisted the Fund with cash donations, employees have contributed in various ways and other persons have taken the initiative to raise funds in novel ways to bolster the Fund's income.

Donations are tax deductible for American, United Kingdom and Canadian citizens and corporations.
